

Vergal C. "Chuck" Dawson, MA

Recent work: I have been in a private solo practice for five years. Prior I had been a Therapist with "The Family Connection LLC". I had A full cross section, numerous and varied heavy caseload. Co-conducted The Family Connections presentation on "Depression. I was a contract "Clinical Supervisor and Evaluator" for "Family Plus" Respite DD waiver program evaluating Case Management, provider and program goals and clinical objectives. I also have been conducting the PTSD Veterans group sponsored by the American Legion and WWUG Vets on Vets. Prior to that I was under contract with Families plus as a case assessment evaluator. This requires that I review files, diaries, and records of case workers, providers and clients. Interview guardians and clients to evaluate program and clinical work objectives. Prior to that I was self-employed in Real Estate and with "The Institute for Breakthrough Counseling" with a private practice. I have recently counseled children in preparation for " Safe Home" Authorities interviews after sexual abuse. Conducted Bi-monthly Veterans PTSD Group hosted by American Legion Rio Rancho and What Would You Give Org.. Counseled both Vets and sexually abused PTSD populations. Have done cross-cultural counseling for Native American populations. Working with cutting and self-mutilation populations. Working with oppositional Adolescence. Working with youth and families in Blended Family situations. I also have Collaborative Law Certification from the State Bar and conduct Divorce and settlement agreements with parenting plans.

Past work:

Conducted and supervised "Child and adolescent" Workshops in communications and family issues for Discovery Institute of California.
Conducted Parent Effectiveness Training's with Co-Counselor Monique Kane. For Institute for Human Relations (brochure available)
Conducted "Intervention Counseling" for Sex Offenders at court request With Bay Area Psychological Associates. (letter available)
